

### OPEN WITH HANDS

A scorched **Meg Matthews** has the right idea – hydrating when flying is essential. As is learning how to open bottles

### IT'S NOT RIGHT

**Whitney Houston** does a great job of proving to airport officials she has absolutely no clue what day it is

### ARRESTING BEHAVIOUR

Gluing yourself to a reluctant airport copper is probably not the best way to keep a low profile, which is clearly **Paris Hilton's** intention

# AIRPORT

Travelling in style is harder to pull off than you would think, as the

### DEEEEEEEVVAAAAA!

Cheer up **Sharon Stone**. We know you're too starry to walk, but the good news is, Cruella Da Ville wants her wardrobe back

### LOST LUGGAGE

For once professional space cadet **Pete Doherty** has good reason to wonder where he has woken up

### LANDING GEAR

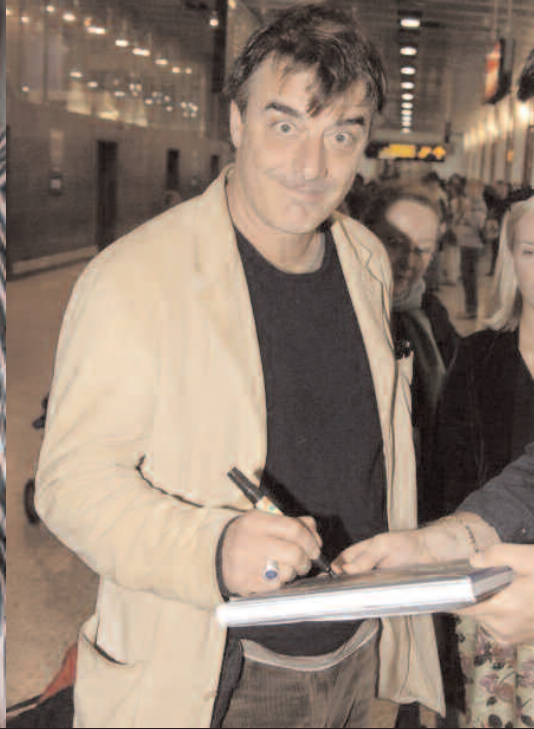

Don't cry **Charlotte Church**, we think your 80s throwback fur hoodie is awful too, but just concentrate on your holiday

FEATURE Katy Bell PHOTOGRAPHS Big Pictures

### BARKING MAD

Brainiac **Jessica Simpson**'s dog looks a little concerned – maybe he thinks she'll try to smuggle him in her hand luggage

### WHAT WOULD CARRIE SAY?

The let-down, dress-down reality of Mr Big **Chris Noth** almost takes attention away from his very obvious displeasure at autograph hunters

### NOW THEN, NOW THEN

She's no dummy that **Gwen Stefani**. Who else would think of dressing up as Jimmy Saville to avoid the Press?

# DRAMAS!

These hurried and harried celebs are demonstrating

### OUTTA MY WAY

Desperate Housewives' **Jesse Metcalfe** let's his hands do the talking. Who knew a Vulcan Deathgrip worked on paps?

### SERIOUS TURBULENCE

**Pamela Anderson** was relieved her wind episode happened before she got on the plane. At least she can hide from this one

### BACK OFF BUSTER

Pity the poor snapper who crosses a very miffed **Scarlett Johansson** – he might get a finger up his nose
